INFORMAZIONI AGGIUNTIVE:

Frequency è una lampada in metallo tagliata al laser e lavorata in maniera artigianale. Nella parte sottostante vi è alloggiato un disco di plexiglass bianco opale che permette un'ottimale diffusione della luce. Può essere personalizzata per colori.

Frequency is a metal lamp laser cutted and hand-processed. In the lower part there is accommodated a white opal plexiglass disc that allows an optimum light scattering, it can be color customized.
