INFORMAZIONI AGGIUNTIVE:

Popp è interamente realizzata a mano in Italia. Nasce da un tubo di vetro borosilicato (pirex) soffiato. Le diverse finiture, colorata, opale e metallizzata nelle versioni gold o nichel la rendono particolarmente adatta alle più svariate composizioni in linea o a grappolo.

Popp is entirely made by hand in Italy. It comes from a blown tube of Pirex. The different finishes: Color, opal and metallic gold and nickel finishes makes it particularly suitable for the various compositions, in line or cluster.
